

ÀNGELS LLURDA MARÍ

Àngels Llurda is a doctoral student in the Department of Foreign Languages and Literatures at the University of Lleida. She graduated in English Studies from the UdL and holds a Master's Degree in Secondary Education Teacher Training and Language Teaching (UdL).

Through her doctoral research titled "Exploring ageism and intergenerational relations in contemporary short story writing", she has become part of the PRO-SUEDAD project, where she will specialize in age studies and intergenerational relationships, actively collaborating in various phases of the project. Regarding her doctoral activities, she will focus on the review and analysis of various contemporary short stories from a critical perspective focused on age studies.
